

**Weekend at the
Moyallon Centre Programme
27-29 May 2011**

“What in the World are Quakers?”

The Speaker

**Welcome to the Moyallon Centre and the weekend on Quakers!
Margaret Fraser will be at the Moyallon centre for a month and will be speaking at this weekend. Margaret has just retired from her post as head of the FWCC section of the Americas, which connects Quakers throughout North, South, Central America and the Caribbean.**

Margaret has been widely involved with Quakers from across the world for many years and has also served as Dean for Pendle Hill, a Quaker study and retreat centre. Margaret has attended Ireland Yearly Meeting on several occasions and is well known to a number of Irish Friends. We are delighted that Margaret will be the first “Friend in Residence” at the Moyallon Centre and she will be staying there from mid May through to mid June when she returns to America.
